NAZARETH REGIONAL HIGH SCHOOL
MISSION STATEMENT

Nazareth RHS is a Catholic college preparatory high school sponsored by the Xaverian Brothers. We maintain a rigorous academic environment where students develop a life-long intellectual curiosity which empowers them to think independently in an ever changing global community. We provide unique opportunities that develop students' spiritual, intellectual, social, emotional, and physical growth. Our scholars are prepared to be successful, contributing members of society.

HISTORY OF NAZARETH REGIONAL HIGH SCHOOL

The first semester of the initial year of Nazareth High School was spent at the newly completed Bishop Kearney High School, since Nazareth's building was yet unfinished. In the spring of 1963, Bishop Brian McEntegart dedicated the new building, and the first class of freshmen joined the small Nazareth faculty in moving into their own school. The Catholic people of Brooklyn had generously given millions of dollars to ensure the continuance of Catholic secondary education in the Diocese of Brooklyn. Brother John Olsen, C.F.X., served as first Principal from that year until 1966. He, and the other Xaverian Brothers and Catholic laymen who administered and staffed the new school, chose to center the goals of Nazareth around the theme "wisdom, age, and favor with God" because these were the qualities of Jesus as described in Scripture as he grew up in the town of Nazareth.

The first class of Nazareth Kingsmen graduated in June of 1966. Nazareth prospered in those years using new educational methods that characterized the school as a forward looking, progressive institution.

In 1974, the Principal, Brother Mathew Burke, with the encouragement of Bishop Francis Mugavero, formed a new Catholic school governed by a Board of Trustees because the Diocese could no longer continue to subsidize the school. The new school was called *Nazareth Regional High School* and was staffed mostly by Catholic laymen along with some religious men and women. In 1976, the school admitted women for the first time, and in June, 1980 the first female valedictorian was selected.

In 1994, Nazareth Regional High School was formally affiliated with the network of schools sponsored by the Xaverian Brothers American Province. As a Xaverian Brothers sponsored school, Nazareth is part of a proud and distinguished legacy of educational excellence that is the Xaverian Brothers' tradition.

In February of 2012, the Board of Trustees of Nazareth Regional High School, citing financial concerns and low enrollment, announced that Nazareth would be closing in June, 2012. However, due to the remarkable response, and passion displayed by the Nazareth community, including students, families, alumni, administrators, coaches, faculty and staff the Board of Trustees again voted, only two months later, unanimously deciding to reverse its decision and keep the school open. The key to all of this was the strategic development of the Principal's Plan, which laid the ground work for securing Nazareth financially for the next four years, through the 2015-16 school year. In addition, Nazareth would not have remained open if it were not for the exceptional support of Sharon Patrick, who loaned Nazareth \$500,000. Now, almost three years into the Principal's Plan, Nazareth is financially sound. 75% of the loan has been repaid, enrollment is up 30% in the past three years, a new science lab and media center have been built, and the curriculum has become even more rigorous. Nazareth students have the opportunity to earn 38 college credits through participation in the St. John's University College Advantage Program. Students who struggle are required to stay in school after the regular day is over to receive help through the advisory and tutoring programs.

Nazareth is now in the position to plan for its future. The school has moved past survival and can focus on long term planning, growth, sustainability and its bright future.

CLASS ATTENDANCE & PUNCTUALITY

Students are required to attend all classes and missed classes are considered "cuts". Only the Principal, Assistant Principal or Dean of Discipline may excuse a student from class. Underclassmen (9th, 10th & 11th grades) will receive a warning, parents will be notified and detention will be imposed for their 1st cut. If another cut occurs in the same school year, the student will be suspended. Seniors will be suspended after their 1st cut, no exceptions. Cuts may also result in a failing grade and removal from the class. The student's ability to continue at Nazareth will be evaluated if this occurs.

There is a class attendance policy at Nazareth. ***Students who are absent (This includes both excused and unexcused absences) more than 23 days for a full year course and more than 12 days for a half year course will receive no credit for that course regardless of what their grade would have been.*** These absences include sickness, suspension, doctor's visits, death in family, absences for non payment of tuition, and family emergencies. Attendance at school and class should be a top priority and only under

extreme circumstances will exceptions be made. Students are responsible for all work missed during an absence. **The school will not accept an absence for a family vacation taken during school time.**

Students are also expected to be on time (before late bell rings) for class. Frequent lateness will result in failure in the class, detention, suspension, 7:30 sign in sheet, and parent conference.

GRADING POLICY

Nazareth uses a numerical grading policy and a mathematical formula to calculate full year and one-semester courses. Grades are a combination of attendance, punctuality, participation, homework, test grades, quizzes, projects, and term papers. *ANY STUDENT WHO CONSISTENTLY DOES NOT COMPLETE AND HAND IN HOMEWORK WILL RECEIVE A FAILING GRADE.* The minimum passing grade is 70.

HOMEWORK

Homework is given regularly and includes written assignments, reading, research, review of notes, and preparation for exams, term papers, projects, and oral presentations. Students will have at least one hour of homework daily; please do not believe that homework was completed in school. Research has shown that students who spend two hours a night on homework and study have excellent grades, earn scholarships to college, and succeed in college. *Absence from school does not excuse a student from their responsibility of all class work and homework.*

TESTS AND MAKE-UP TEST POLICY

Throughout the course of the school year, students will be tested on the material taught. These tests can be in various forms and will require students to read and write extensively. Quizzes are also part of the testing policy. Students are informed in advance when major exams are given so they can prepare properly. It is essential that students attend school on test days, and only in the case of serious illness should they stay home.

Tests must be made up at the convenience of the teacher when the student returns to school; this may require that your child stay after school. The teacher will inform the student of the make up date. If the student fails to appear, the grade will be a zero. Student is responsible for asking the teacher to setup a make-up date.

TEXTBOOKS

Most student textbooks are state-issued books that students must return in good condition. They may not be written in or defaced in any manner; lost or destroyed books must be paid for. No report card will be given to any student who has not returned a book or must pay for one.

Lost books should be replaced as soon as possible. Any student who finds a textbook must bring it to the General Office. If students lend their books to another student and it is lost or not returned, the student assigned the textbook is responsible to pay for it.

All students must sign a textbook receipt form and indicate any damages the book they received has.

REPORT CARDS & GRADES

The academic year is divided into four quarters - the dates for the beginning and end of each quarter are contained in the school calendar. A report card is issued at the end of each marking period. Parent-teacher conferences are scheduled after the first and second marking periods. Grades are available on-line through Parent PlusPortal.

IEP's

Nazareth RHs will accept students who have IEP's. The IEP, actually referred to as an IESP for private schools, will be respected insofar as possible. However, it may not be possible to provide the student with all accommodations that are stated in the IESP.

It is the parents' responsibility to provide the school with up to date IESP's. Students who are eligible for SETSS services (Special Education Teacher Support Services) will be scheduled for Resource Room, in accordance with their IESP, and upon receipt of a P-4, which can be obtained from the local CSE. SETTS services will be provided by a teacher employed by an outside agency, at Nazareth.

Arrangements will be made to provide eligible students with testing accommodations. This holds true for students who possess 504 plans, as well as IESP's. Nazareth will help families apply for SAT and AP exam test accommodations, however, the final determination will be made by the College Board. Similarly, the ACT will determine testing accommodations for the ACT exam.

ACADEMIC PROBATION

Students who fail three or more subjects in any quarter are placed on academic probation and are in danger of being asked to leave Nazareth if significant improvement is not made. A parent conference will be held and an improvement plan implemented. The student's progress will be monitored closely. Transfer students will be placed on probation for the first 6 months at Nazareth.

ADVISORY

Students will be selected for Advisory. This is a class and is not optional for students. All school rules apply. Advisory is held from 2:12-2:52pm Monday- Thursday. For the first quarter, Advisory will begin the last week of each September. Students receiving a grade lower than 80 and/or in need of Regents preparation, may be scheduled for Advisory.

ELIGIBILITY FOR EXTRA-CURRICULAR ACTIVITIES

Any student whose academic progress is not up to school standards may not participate in any extra-curricular activities until their grades improve. **Students who fail two or more subjects are not eligible to participate.** This also includes trips, buddy days, and other events that students are selected for. Any student whose attendance, punctuality, and/or behavior are not satisfactory will also not be permitted to participate in extra-curricular activities, trips, buddy days, and other special events. They will also not be considered for honor societies or awards. Any student who is absent from school may not participate in any school activity on that day without specific approval of the Principal or Assistant Principal.

Any student who arrives after **10:30 AM** will not be eligible to participate in daily activity or sports.

MID-TERM AND FINAL EXAMINATIONS

Mid-term examinations are given in January and Final examinations are administered in June. These are mandatory examinations that represent a significant portion of the student's grade. A missed exam will result in a failing grade in the subject. **NO MID-TERM or FINAL EXAMS WILL BE PERMITTED TO BE MADE UP IF A STUDENT MISSED THE EXAM DUE TO A FINANCIAL OBLIGATION, AND EXAM GRADE WILL BE A ZERO.**

A student will be given a make-up exam for illness ONLY IF THE FOLLOWING TWO CONDITIONS HAVE BEEN MET:

1. Parent has called the school by 9 a.m. to report the illness on the test day.
2. A doctor's note is brought in when the student returns. NO MAKE-UP WILL BE PERMITTED FOR FAILURE TO MEET THESE CONDITIONS.

Students must arrive at school 15 minutes before the start of exams. **Students who arrive more than 20 minutes after the start of the exam will not be permitted to take the test.**

EXEMPTIONS FROM FINAL EXAMS

Students may earn exemptions from final exams if they meet the following requirements:

1. A 95 or above average in the course.
2. Excellent attendance and punctuality for the course.
3. Completion of all homework and class projects.
4. Excellent class participation and behavior.

The teachers will recommend students who meet the criteria to the Assistant Principal of Academics. The Assistant Principal of Academics has the final determination and will confirm students of earned exemptions. Exemptions cannot be earned in courses that have a regent as their final exam.

CELL PHONES ARE NO LONGER ALLOWED IN EXAM ROOMS

Students cannot bring a cell phone, iPod or other electronic device into the testing room. If a proctor sees that a student has one of these devices during the exam or during any breaks (such as a restroom visit), the student's exam will be invalidated.

Since we know how important cell phones have become to students, we ask parents to have a conversation with their child, so he/she understands the severe consequences of having his/her cell phone "on or near" him/her during exams. There are no warnings in the new state policy: **students observed with phones in the exam room will have their test invalidated.**

SUMMER SCHOOL

Failed courses must be made up in Nazareth's summer school. Students will be expected to earn a minimum grade of 70.

No student will be permitted to go on to the next level of a course if he/she has not satisfactorily passed the previous level.

HONORS

The following are the honor designations for Nazareth Regional High School. Students whose attendance, punctuality, and behavior are unsatisfactory will not be awarded honor status even if their grades meet the criteria.

Principal's List	90 or above average; no less than 85 in every subject
First Honors	85-89 average, no less than 80 in every subject
Merit Roll	80-84 average, no less than 75 in every subject

ADVANCED PLACEMENT COURSES

Student eligibility for placement in college credit (AP) courses is based upon the student meeting the admission criteria designated for each course. Parents are responsible for the additional AP exam fee.

SELECTION OF VALEDICTORIAN AND SALUTATORIAN

To be eligible for consideration as Valedictorian or Salutatorian, a graduating senior must:

1. Be the top 2 students in class after 7 semesters.

Students must have attended Nazareth for 3 full years to be considered.

REGULATIONS FOR STUDENT CONDUCT

All students attending Nazareth are expected to behave in a courteous and respectful manner to teachers, staff, visitors, and each other during and after the school day and at all extra-curricular events such as games, dances, assemblies, and religious events. Students are a reflection of the school and the values we embrace, so each member of the Nazareth community must do his/her part to maintain these standards.

The consequences of failing to abide by the school policies for proper conduct are detention, suspension, parent conference, suspension from activities, and expulsion from school.

COURTESY & RESPECT

All members of the Nazareth community are expected to behave in a respectful and courteous manner at all times, including extra-curricular activities. Students must exhibit proper piety and participation during religious events such as masses and prayer services as these religious celebrations and activities are the cornerstone of life at Nazareth.

Members of clubs and teams represent Nazareth and must respect the rules and property of both Nazareth and other schools. Good sportsmanship is expected of all participants in extra-curricular activities. Students who attend events must act appropriately at all times. Absolutely no taunting, fighting, cursing, destruction of property, or other unacceptable behavior will be tolerated, and violators will be escorted out and face disciplinary action.

SEXUAL HARRASSMENT POLICY

Sexual harassment is unwanted sexually oriented words or behaviors that hurt or humiliate another person or unwanted comments or touches and Nazareth will not tolerate such behavior from any member of our community. Students should report such behavior immediately to any teacher, administrator, guidance counselor, or support staff.

SEXUAL BEHAVIOR AT SCHOOL

Any student engaging in any type of sexual behavior in school, on a school sponsored event, or after school will be expelled from school and will have parents called. There will be no exceptions to this rule. Further, any student caught in any unauthorized area of the building – including the 4th floor and locker rooms – will face severe disciplinary action and possible expulsion from school.

BEHAVIOR AWAY FROM SCHOOL

The students of Nazareth represent our school at bus stops, stores, recreational events, and in their neighborhoods. Behavior that reflects negatively on the school affects all members of the school community and hurts the school's reputation. Such behavior will not be tolerated from any student. Behavior which is counter to the Christian principles Nazareth teaches- wherever it occurs- is relevant to our students' status as members of the school community and disciplinary action will be taken.

Additionally, students are advised from going to McDonald's, Dunkin Donuts or the Harry Maze Playground after school.

GENERAL RULES OF ORDER

1. Students may not run, horseplay, yell or do anything that is considered disruptive to the atmosphere of learning anywhere in the building.
2. Students may not loiter on the front steps before or after school. In the morning, student must go to the cafeteria until the bell rings at 8:05 am. At dismissal, students must go directly home or to their extra-curricular activity. Students in extra-curricular activities may not leave the building at dismissal then return.
3. Absolutely no outside friends may wait in front of the school or at any other exit.
4. No student may loiter or wait for other students in hallways or stairwells at any time before, during, and after school.

STUDENT PARKING

Students may not park their cars in any of the school's parking lots. Cars may be parked on East 57th and 58th Streets. Students may not leave school to go to cars during the school day.

BICYCLES

The school will not be responsible for bicycles, and students should not bring them into the school.

METROCARD PASSES FOR BUS AND SUBWAY

Nazareth students will receive Metro card passes in both September and January according to the guidelines outlined by the Board of Education. Students are issued either a full or half fare card depending on the distance of their residence from school. *Nazareth does not make the guidelines and is required to follow them by the Board of Education.* Students must safeguard their metrocard. Students cannot exchange, borrow, or use another person's Metro card. If a card is lost or stolen, it must be reported to the General Office immediately so it can be deactivated. **There is a waiting period of 2-3 weeks before another card will be issued to the student. This is out of the school's control, and the student will have to pay for transportation until a replacement card is sent to the school - the school does not have extra cards.**

CELL PHONES

Phones must be locked in lockers from 8 am until dismissal time- they cannot be in bags, pockets, or anywhere on a student. There is a zero tolerance for cell phones that are not locked in lockers, and phones will be confiscated by staff and given to the Dean of Discipline. Cell phones cannot be visible on the person of any student or they are subject to confiscation. (Students always have the option to voluntarily turn their phones in to the office in the morning if they do not want to lock them in their lockers). The following penalties apply to the inappropriate use or visibility of phones:

1 st offense	Parent must pick up phone between 9-10 am only and sign a letter stating that they received the phone and understand the consequences of further offenses.
2 nd offense	Detention and a parent must pick up the phone. The student MUST turn their phone in to the office for the duration of the school day each morning until the end of the term.
3 rd offense	1 day suspension, mandatory parent conference, and student placed on behavioral probation. Parent must pick up phone
4 th offense	Possible expulsion from school or other disciplinary action.

CHROMEBOOK POLICY

Nazareth Regional High School is supplying students with a Chromebook device. This device is property of Nazareth Regional High School. The supplied device will provide each student access to educational materials needed for each student to be successful. The Chromebook allows student access to Google Apps for Education, PlusPortals, educational web based tools, as well as many other useful sites. The supplied device is an educational tool not intended for gaming, social networking or high end computing.

Nazareth RHS has enlisted the Worth Group to offer Chromebook insurance that can be purchased within the 1st week of school. Under this insurance policy the Chromebooks are protected against accidental damage or loss due to an act of nature at a cost of \$35.00 per year. Nazareth will require that a police report be submitted in cases of theft. Fraudulent reporting of theft will be turned over to the police for prosecution. A student making a false report will also be subject to disciplinary action.

This insurance provider is not a partner of Nazareth Regional High School. The company is only a recommendation and parents may utilize similar insurance providers. **Parents/Students will be charged for full replacement cost of a device that has been damaged due to intentional misuse or abuse.**

FIGHTING

There is a no tolerance for fighting. Fighting in school, or on the way to or from school, is a serious offense that will result in immediate expulsion from school and a parent conference.

STEALING/VANDALISM

Nazareth is a Christian community and encourages all students to live by Christ's ideals and example. A learning community must rely on each member's commitment to these ideals. Therefore, stealing, cheating, and vandalism have no place in our school. Violators demonstrate that they have no regard for others. Consequences for such behaviors include suspension, expulsion, monetary reimbursement to the school or student, and failing grades in the case of cheating.

DRUG AND ALCOHOL POLICY

Any student may approach a guidance counselor or teacher for help with a drug/alcohol problem and he/she will be assisted on the basis of the individual factors associated with his/her problem.

Possession: Students may not have in their possession or in their lockers any alcohol, marijuana, controlled substances, or any other type of drug. Possession will result in suspension (with mandatory counseling) or expulsion.

Under Influence: Any student whose behavior or appearance suggests that he/she is under the influence of drugs/alcohol will be sent to the Dean of Discipline. The parent will be called to come to the school. Such behavior will be considered a very serious matter resulting in suspension or expulsion.

Testing: Nazareth reserves the right to drug test students, with parental consent, on site.

Trafficking: Any student who is selling drugs/alcohol or encouraging others to sell or buy same, will be immediately expelled from school. The school reserves the right to report such criminal activity to the proper authorities.

SMOKING

Students may not smoke in school, in any of the parking lots, or the surrounding blocks of the school. Any student violating this rule will be suspended.

ATTENDANCE POLICY

The following attendance policies are approved by the New York State Education Department and conform to the Commissioner's Regulation 104.1.

A parent/legal guardian is required to call the school no later than 9 a.m. to report a student's absence on the day of that absence and every day of the absence. **Call 763-1100, ext. 225.** The purpose of the attendance and tardiness policies is to insure that all students attend school regularly and on time so they can succeed academically, learn self-discipline, and prepare for real world expectations.

Students arriving to school after 10AM without a doctor's note are considered absent and are not eligible to participate in after school activities that day, including sports. The athletic director will be responsible for ensuring all teams adhere to this attendance policy.

Absences:

Excused - parent has called the school by 9 am on day of absence and every day of the student's absence; student has brought in a note from parents when he/she returns. Excused absences will be marked "AE" in the attendance register. Excused absences include sickness, death in family, legal circumstances, and family emergencies. PROOF OF SUCH AN EMERGENCY IS REQUIRED. In the case of death in the family or of a significant other, the absence cannot last more than five (5) school days.

Unexcused - parent has not called school and student has not brought in required absence note. An unexcused absence will be marked "A" in the attendance register in cases where a parent has not called the school or sent in a note and "AU" for all other unexcused absences.

An unexcused absence also includes vacations taken during school time, student employment or babysitting, doctor's appointments, or other unnecessary absences. Truant students and a parent must meet with the Dean of Discipline to assure that the truancy does not occur again. Truant students are marked "TRU" in the attendance register.

When student returns to school, he/she must bring absence note to the Attendance Office by 8 am and receive an admit slip for class. Student must show admit slip to all teachers on day of return.

Period

Attendance:

Each period, attendance is taken and sent to the Attendance Office. Students who are not in class are considered "cut" and will meet with the Dean of Discipline. A parent will be notified and disciplinary action taken. Habitual absence from class will result in suspension, probation, or expulsion from school. A student will be excused from non-attendance of a class if they have an authorized note from the nurse, guidance counselor, or from an administrator.

Period

Tardiness:

Students are expected to be in class before the bell rings to start class. If not, the student is marked late. Lateness will result in lower grades; habitual lateness will require a parent meeting with the Dean of Discipline, and an improvement plan will be devised with the cooperation of the parent and student. If no improvement is evident, additional disciplinary action will be taken.

A student will be excused from period tardiness if they present an authorized note from the nurse, guidance counselor, chaplain, or from an administrator. However, excessive visits to the nurse will not be excused, and the student will face disciplinary action. If a student is more than 5 minutes late for class, he/she must report to the General Office for a late pass. Late students must report for detention the same day. Students 5 or more minutes late for class are considered "cut".

Minimum**Attendance:**

Excused and Unexcused absences from school or class of more than 23 days for a full year course and more than 12 days for a half year course will result in no credit.

Periodic letters/phone calls to parents from the Dean of Discipline will advise parents of the potential for no credit. In addition, parent conferences will be held to discuss the problem and devise a plan for compliance. Parents may appeal the decision to not award credit to the Principal, but the school reserves the right to make the final decision.

Tardiness:

Excused tardy to school: Parent has called school to report lateness – the school will determine if the student is excused. Examples of excused lateness are inclement weather, family emergency, or sickness. Doctor’s appointments are encouraged to be scheduled after school. If homeroom is over, student must report to General Office for a late pass. An excused tardy will be marked “TE” in the attendance register.

Unexcused tardy to school: No phone call or unacceptable phone call from parent. Unexcused tardy includes oversleeping, missing bus/train, late arrival of taxi, ride, etc. Final decision is the Dean of Discipline’s. Students who are late for school after homeroom is over must report to the General Office for a late pass. The pass must be given to either the homeroom teacher or classroom teacher. Students late for homeroom will be marked late by their homeroom teacher. In both cases student must serve detention the following day. An unexcused tardy to school will be marked “T” in the attendance register.

Late students must enter school through the main lobby and sign the late form at the security desk.

INTERVENTION FOR CHRONIC LATENESS/ABSENCE

Students who are chronic offenders of the lateness or absence policy must meet with the Dean of Discipline. A parent conference may be held, and the student may be:

1. Be required to come to school at 7:30 each morning or sign in by a specified time. Students who do not sign by the designated time will be sent home each day they fail to do so.
2. Be placed on behavioral probation and/or given a behavior contract.
3. Be required to attend outside counseling sessions.
4. Be monitored by the Dean of Discipline on a daily/weekly basis through a personal meeting.

ADDITIONAL CONSEQUENCES FOR CHRONIC LATENESS/ABSENCE

In addition to the above consequences, students who are chronically late or absent will not be permitted to participate in extra-curricular activities, go on trips, assume a leadership position in the school, be considered for awards or honor societies, or participate in special events. These privileges will be restored when the student’s attendance and punctuality have improved over a period established by the Dean of Discipline.

ABSENT OR LATE TEACHERS

In the event that a teacher is absent or late for school, a substitute will be assigned. Assignments will be provided, and students are expected to complete this work as if their teachers were in class.

DISMISSAL FROM CLASS

If a student is dismissed from class for poor behavior, she/he must report immediately to the Office of the Dean of Discipline. The teacher will fill out a "dismissal from class" form and send it to the office. The student will remain in the office until the next class unless instructed not to do so by the Dean of Discipline. The Dean of Discipline will meet with the student and call the parent. Failure to report immediately to the Assistant Principal's Office will result in more serious consequences. Detention will also be given.

BULLYING/CYBERBULLYING

Bullying will be defined as purposeful exclusion of any student, unwanted comments/attention/threats directed at any student, upsetting or threatening behaviors directed towards a student or a group of students, name calling, mocking or ridiculing, or otherwise making school a negative environment. Nazareth will treat bullying/cyberbullying seriously and will punish students engaging in such behavior with detention, suspension, and/or expulsion as the case requires. Parental and guidance involvement will be called upon immediately.

DETENTION

Detention consists of staying after school for a minimum of 40 minutes beginning at 3:00PM. It is meant to deter unacceptable behavior, and students must serve detention on the day it is assigned. **Students must report on time and be in dress code. Students in detention are to be silent and engage in reading or other schoolwork.**

LOCKERS

At the beginning of the school year, each student will be assigned a locker. The student is responsible for keeping the locker in good working order, and are responsible for securing their personal items. **STUDENTS CANNOT SWITCH LOCKERS WITH OTHER STUDENTS.** Students can have the option of placing their own lock (not school issued) on their locker that is used for clothing, books, and other personal belongings (not gym locker), but the school reserves the right to clip the lock if access to the locker is needed. Student will not be reimbursed for the lock, and the school will not be responsible for phones, ipods, or other electronic devices or personal items in their lockers.

Lockers must be locked at all times. The school assumes no responsibility for items left in the lockers. Do Not give out your Locker Combination.

Students are only permitted to go to their lockers during the following designated times: Prior to 8:05AM, Lunch period, and dismissal.

Report broken lockers to the General Office.

GYM LOCKERS

No student may be in the gym locker area except before or after gym or a game/practice and only if authorized by a teacher or coach. At no time may boys and girls be in the same locker room. Students may not leave books or other belongings in the locker area after games or practices – these items must be locked in the regular locker. Lockers must be locked when student is not present. Locks must be removed after using the gym locker area. No locks should be left on any lockers once gym is over.

VISITORS

All visitors must check in at the front desk, even parents and alumni. No visitors are permitted in the building without signing in at the front desk. Approved visitors will be given a visitor's pass that must be shown on demand. Students must report any strangers in the building to the nearest teacher or administrator.

CAFETERIA

All students are responsible for maintaining good order and cleanliness in the cafeteria. When all students cooperate, the cafeteria is an enjoyable place to eat lunch. Students who do not abide by the rules of good order will not be permitted to eat lunch in the cafeteria and show a lack of respect for the school community. All students are required to:

1. Stand in line and check in to receive lunch– no cutting the line, pushing, yelling
2. Remain seated during lunch
3. Clean up their table area before leaving
4. Assist in the clean up of other tables

BATHROOMS

Every effort is made to assure that bathrooms are clean and in good working order, and all students are asked to cooperate in this effort. Any student defacing the bathroom, destroying sinks or toilets, or creating an unsanitary condition will be suspended and pay for damages. There is to be no hanging out in the bathrooms.

FIRE DRILLS Strict silence must be maintained during all fire drills, and students must evacuate the building quickly following the instructions posted in all rooms.

FOURTH FLOOR No student is permitted on the 4th floor or in the stairwells of the 4th floor at any time or for any reason.

BIRCH/NEW HOPE ACADEMY No student is allowed in the day care center or Charter School space unless involved in formal coursework or volunteer service under a teacher's supervision. Students may not enter the building using the Birch or New Hope school entrances for any reason.

STATEMENT OF NONDISCRIMINATION

Nazareth Regional High School admits students of any race, color, nationality or ethnic origin to all rights, privileges, programs, and activities accorded and available to our students.

DISCIPLINARY PROBATION

Any student with a poor behavior record as defined by the school will be placed on probation by the Dean of Discipline. Probation is regarded as the final warning, and if significant improvement is not evident, the student will be expelled from the school.

SUSPENSION

The suspension of a student is a serious matter undertaken by the Administration only after careful deliberation. Habitual violations of school regulations such as cutting class, truancy, insubordination, refusal to study, do school work, or attend detention indicate the presence of problems that must be addressed by the parent. Once a student is suspended, it is expected that parents will take the necessary steps to correct these problems. Once a student is suspended, he/she will be sent home after a phone call to parent. The following will occur:

1. Student cannot attend any classes
2. The day following the suspension period, the student and parent must come to school to meet with the Dean of Discipline. An appointment time must be made.
3. A letter detailing the reason for the suspension will be sent to the parent and a copy placed in the student's permanent record. The letter will also outline what corrective measures must be taken.
4. If improvement is not evident, the student can be expelled from school.
5. The behavior of any student who has been suspended will be reviewed in January and June to determine if student can continue at Nazareth.

EXPULSION

The Principal will make the final determination on expulsion of students. A parent may request an appeal of an expulsion in writing to the Principal. Once the request is received, a committee of three faculty members will hear the appeal, and their decision is final.

PHOTOGRAPHING OF STUDENTS

Parental consent will be obtained for the use of student images when used in marketing brochures, at special events, on cable TV, or newspaper coverage. See attached.

FINAL NOTES

The policies contained in this handbook shall not be construed to deny others retained by the school. The Administration reserves the right to make additional policy decisions as situations arise and in a manner consistent with the philosophy of Nazareth Regional High School.
